

H-O-W-L!!!Thats the sound of my pet wolf, Wolfy. Have you ever wondered what it would be like owning an unusual pet? In my opinion a wolf would make the best unusual pet.

One reason is I believe a wolf would make a great pet is no one would break into my house. If I had a wolf he would fight them. People are scared when they see a wolf they will think he is from the wild. It would be scary if you opened the door and a wolf jumped at you.

Another reason is I can train him so whenever I need him I can call him and he will come. For example if someone breaks into my house I can say you came to the wrong house and he will attack him or her.

Finally, when someone is trying to break in I can call him to fight the burglar and after we can hunt for food. An example is If someone breaks in I will call my wolf's name so he can fight the burglar then I will ride on him and we can hunt. As you can see I really want a pet wolf.
