Grant Funded- \$245.00

Amazon book purchase- \$241.18

Outcome

Students in middle school accessed duplicate copies of Sunshine State 2023-2024 books. These books could be read for independent reading points and sheer enjoyment. Students were able to read the books along with a partner and discuss ideas and elements of the story. Sharing achievement minded activities elevates the population, and this grant gives opportunities to students that might not have otherwise been had. Thank you for your generosity.

Goal

Students will read all of the Sunshine State Books and win a sundae party!

What will be done with my students

Students will access the sunshine state

Benefits to my students

Students have the opportunity to read modern literature and increase confidence.

Budget Narrative

Sunshine state reading is highly promoted at our school. Reading the entire set gives children a ticket to the ice cream social party of the year!
