

The Book Fairies are coming!

In the next few days, book fairies will be descending upon our school. They will be hiding books in colorful envelopes for our scholars to find.

Although the books may not be just right books, the books being hidden in your area are your approximate grade level.

 **Pre- K - 1 - Donut Envelopes** 

 **2 -3 - Flamingo Envelopes** 

 **4 -5 - Cacti Envelopes** 

There is a special note left by the fairy inside the cover of each book and a label with directions for the lucky finder that reads, “Take this book, read it, and leave it for the next person to enjoy”.

They can reuse the envelope by pulling the strip. The fairy sealed it only with a sticker. 😊
